

Privacy Policy – AVNews App

Effective Date: 19 February 2026

AVNews (“we”, “our”, or “us”) operates the AVNews mobile application (the “App”). This Privacy Policy explains how we collect, use, and protect information when you use our application.

1. Information We Collect

AVNews is a news-reading application only. We do NOT require user login, do NOT display advertisements, and do NOT collect location data. We may automatically collect limited technical information necessary for app performance, such as:

- Device type and operating system version
- Basic usage statistics
- Crash logs and performance diagnostics

2. How We Use Information

We use limited technical data solely to:

- Improve app stability and performance
- Fix bugs and crashes
- Enhance user experience

We do not use your data for advertising, profiling, or marketing purposes.

3. Data Sharing

We do not sell, trade, or rent users’ personal information. We may share limited technical data only for:

- App performance monitoring
- Legal compliance, if required by law

4. Children's Privacy

AVNews does not knowingly collect personal information from children under 13 years of age. If such information is identified, it will be deleted promptly.
